

DR. DAVID S. RICKETTS

Driving Success Through Innovation

Innovation Keynote Speaker

Harvard Innovation Fellow

Award-Winning Scientist

Corporate Innovation Change Catalyst

The most successful companies and leaders in the world understand that innovation is a critical key to growth and building a sustainable business. But not all leaders understand how to accelerate the innovators within themselves or how to nurture, inspire and support their teams to be more innovative.

Dr. David Ricketts is passionate about helping leaders and organizations drive success through innovation. He does this by bringing the same lessons he shares in the Harvard classroom to the stage and inspiring and motivating his audiences to release the innovators within.

Harvard Innovation Fellow

Dr. Ricketts co-developed and teaches the foundational innovation course in the School of Engineering and Applied Sciences (SEAS) at Harvard. This course has become one of the top 10 attended classes in the school.

Cutting Edge Innovator

Dr. Ricketts' cutting edge innovations have been featured on CBS, Smithsonian and other national platforms.

Scholar & Professor

Dr. Ricketts has held appointments at Harvard University, Canegie Mellon, MIT and North Carolina State University.

Award Winning Scientist

Dr. Ricketts is the recipient of the prestigious CAREER award from the National Science Foundation.

Innovation Keynote Speaker

Dr. Ricketts is one of the most highly sought innovation speakers and has spoken globally from Toronto to Buenos Aires and Australia to Dubai on how organizations can drive success through innovation.

Driving Corporate Success

Dr. Ricketts works with the world's leading companies to drive success through innovation. He's worked with Mastercard, Disney, ESPN, GM, Dell and other Fortune 500 companies.

CXO Partner

Dr. Ricketts works with the worlds leading CEO, CIO and CTOs to accelerate innovation culture and productivity in their organizations.

DR. RICKETTS IS THE SPEAKER OF CHOICE!

Through his **INSPIRING** and **INFORMATIVE** keynote speeches, Dr. David S. Ricketts helps leaders understand the role that innovation plays in securing the future of their organization and individual careers. With this knowledge they are able to drive success through innovation in their career and organization that leads to creating changes that help secure future success.

MOST REQUESTED TOPICS

DISRUPTIVE INNOVATION

Based on Dr. Ricketts' research at Harvard University, this keynote uses examples from technology and our everyday lives to help audiences understand and develop disruptive innovations. This keynote will explore how disruptive innovations come about, how you can be the one to create them and how to make sure one doesn't disrupt you and your organization.

THE FUTURE OF TECHNOLOGY

Technology plays a significant role in innovation. Through his Future of Technology keynotes, David speaks to how organizations can use technology to accelerate and drive innovation.

URBAN INNOVATION

Innovation in the urban / civic space is on the rise. As an expert in Urban Innovation, David speaks to cities, governments and civic organizations around the globe to help them find new innovative ways to meet urban challenges and to satisfy citizens' needs. These keynotes are fully customizable to best fit the needs of your audience.

WORKING WITH LEADING INNOVATORS FROM AUSTRALIA TO DUBAI

David travels the globe delivering his insights and sharing his expertise on innovation with the world's leading companies. He's worked with Mastercard, Disney, ESPN, GM, Dell, Google, Facebook, and other Fortune 500 companies to help them drive innovation in their organizations through collaborative consulting, training and other innovative initiatives. He's spoken in over 30 countries around the world and is one of the most sought after Innovation Scholars and Experts.
